Access an extensive portfolio of courses for an annual fixed fee

Ensuring your staff understand their duties and responsibilities in compliance with the law is key for all organisations.

AppLI LMS comes as standard with an extensive portfolio of over 25 jurisdiction-specific courses for an annual fixed fee. If you're seeking a more tailored approach, smaller packages are available to suit your training needs.

Enjoy unlimited user access to our extensive catalogue, supplemented by the option to integrate your own training materials, policies and procedures effortlessly. Plus, receive dedicated support from our local team and a committed account manager to ensure a seamless learning experience.

Cost-effective training

AppLI LMS offers a cost-effective solution for comprehensive staff training in compliance, wellbeing, and management-specific courses. With no setup, admin fees, or hidden costs, it also eliminates the financial burden of traditional in-person training sessions.
